

California State Federation  
**Candidate Statement**

Position: District Vice President of District I

Candidate: Dave Southworth, National Member

Dave Southworth has broad experience that can assist the Chapters in the Southern California region with growth through marketing for active Federal employees and retirees. Dave had been a member of the San Diego Chapter 4 and assisted with the website and developed and currently maintains the Chapter 4 Facebook page. Dave had been a member of the Oceanside Chapter 706 and developed the chapter's first webpage. Currently, Dave lives in Laguna Woods and participates in Laguna Woods Chapter 970. Following the Future of NARFE committee, Dave was a member of the Strategic Planning Committee which provided a top level view of NARFE and its potential future. Dave has served in the California State Federation (CSF) positions of National Legislative Chair and Document Controller. Dave created the CSF Facebook page. Dave is currently assisting Chapter 4 with a marketing plan to reach out to active Federal employees. Chapters should lean on their District Vice Presidents (DVPs) to actively assist in growing their chapters. Chapters should ask National members to assist with the Chapter's social media outreach which DVPs can assist with that connection. National members are not the bad guys but many are web savvy and if respectfully approached will be glad to help. As a National member, Dave will assist all chapters in the District I with equal enthusiasm. Dave plans on having a District I website to showcase the chapter activities in District I. Vote for me, Dave wants to help Chapters grow, we are all on the NARFE team supporting the NARFE mission.
