The Longest Day 2023. The Longest Day will be on June 21, 2023, and is the day with the most light – the summer solstice. On this day, people from across the world will fight the darkness of Alzheimer’s through a fundraising activity of their choice. Now would be a great time to start planning your fundraising activity. Register for the event at <https://act.alz.org/thelongestday>. The name “NARFE” should be included in the team’s name.

Walk to End Alzheimer’s. The NARFE Goal for the 2023 Walks is \$100,000. Teams can now register for the walk this year at alz.org/narfewalks. The Walk is the largest fundraiser for Alzheimer’s care, support, and research. The name “NARFE” should be included in the team’s name.
