Distinguished Member

Distinguished Member

*F*or many years, the National Active and Retired Federal Employees Association (NARFE) has thrived economically, politically and socially due to the consistent support of dedicated NARFE members.

Through Dues Withholding, Life Membership and annual renewal, many of NARFE's members have been with the Association for 20 years or more. These members should be recognized for their continued support and service to NARFE and their fellow NARFE members. They deserve a special "Thank You." The best way to do that is through the Distinguished Member program.

As a chapter president or secretary, you are responsible for determining Distinguished Membership eligibility among your members. The guidelines and criteria for Distinguished Membership are outlined in this brochure. Please review the following information to ensure that those who are eligible receive our special "Thank You," a NARFE Distinguished Membership.

Benefits

Our goal is to make Distinguished Membership beneficial to the recipient. In keeping with this goal, a Distinguished Member:

- receives a Distinguished Member pin;
- receives a special Distinguished Membership card; and
- receives a Congratulatory Certificate from NARFE's national officers.

Qualifications

To qualify for Distinguished Membership, a member must meet the following criteria:

- Must have been a NARFE member for a total of 20 years (does not include spousal transfers).
- A chapter president or secretary must sign the Distinguished Membership Certification form, attesting that the above requirements have been met.

Guidelines

- Distinguished Memberships are non-transferable.
- A Life Member may be granted Distinguished Membership.
- A member in NARFE's Dues Withholding program may be granted Distinguished Membership.
