

## **Possible NARFE Partners**

March 2011

If you have any connections with any of the following you may wish to start networking with them, invite them to your meetings and ask them to join with NARFE efforts to protect the earned benefits of the federal community. National Headquarters has begun efforts to work with these groups on a National level. You may find success working at the local level with these groups. If you have a web site, you may wish to list them on your web site for information to your members, and you might ask them to list [www.narfe.org](http://www.narfe.org) on their web site.

If you know of any other groups that have similar interests to NARFE, please let your Region VIII RVP know.
